### **FACTUAL ALLEGATIONS**

8. Plaintiff repeats, reiterates and incorporates the allegations contained in paragraphs numbered "1" through "7" herein with the same force and effect as if the same were set forth at length herein.

9. On or about June 20<sup>th</sup> 2016, Defendant began communicating with the Plaintiff by placing auto dialed phone calls to the Plaintiff's numbers of 848-240-3401 and 848-240-3416 and leaving messages.

10. Between the dates of June 20<sup>th</sup> 2016 and July 4 2016 the Plaintiff received 8 calls, and from July 5<sup>th</sup> 2016 to January 30<sup>th</sup> 2017 the Plaintiff received 401 calls.

11. On July 4<sup>th</sup> 2016, based on these phone calls, the Plaintiff called into the Defendant and connected with a female representative. He gave the representative his credit card number and name to access his account.

12. The representative asked the Plaintiff to verify his mailing address.

13. The representative verified the account.

14. The Plaintiff stated that he was the card holder's husband and he did not want to be contacted by autodialer, only by a live person.

15. The representative asked what the reason was that he did not want the auto dialed calls.

16. The Plaintiff stated because that was his wish.

17. The representative stated the reason he was receiving the calls is to inform them about the account.

18. The plaintiff stated they can call with a live person, but not by an autodialer.

19. The representative stated again what is the reason you do not want an autodialer call. Also, the account was past due.

20. The Plaintiff stated just because. He asked how much was owed on the account. The representative gave him the figure and asked if he was going to make a payment. The Plaintiff stated he would try and the call was then concluded.

21. Since the conclusion of the conversation with the Defendant's representative and the request to have the phone calls stop, the Plaintiff has received at least 568 calls in all from Defendant.

**FIRST CAUSE OF ACTION**  
***(Violations of the TCPA)***

22. Plaintiff repeats, reiterates and incorporates the allegations contained in paragraphs numbered "1" through "21" herein with the same force and effect as if the same were set forth at length herein.

23. According to the Telephone Consumer Protection Act 47 USC §227(b)(A)(iii), "It shall be unlawful for any person within the United States, or any person outside the United States if the recipient is within the United States (A) to make any call (other than a call made for emergency purposes or made with the prior consent of the called party) using any automatic telephone dialing system or an artificial or pre-recorded voice--- (iii) to any telephone

number assigned to a paging service, cellular telephone service, specialized mobile radio service, or other radio common carrier service, or any service for which the called party is charged for the call, unless such call is made solely to collect a debt owed to or guaranteed by the United States.”

23. It has been determined that the statute language adding “or” any service for which the called party is charged, is not accurately interpreted to require that Plaintiff must claim that Defendant’s calls incurred charges. See Breslow v. Wells Fargo Bank, N.A. 857 F. Supp 2d 1316, 1319 (S.D. Fla. 2012) and Cavero v. Franklin Collection Serv., Inc., 2012 WL 279448 (S.D. Fla. 2012). A number of Courts have addressed the issue of a Plaintiff being charged with all agreeing that the TCPA does not require a Plaintiff who received calls on his/her *cell phone* to allege that he/she was charged for the call. For example, Manno v. Healthcare Revenue Recovery Grp., LLC, 289 F.R.D. 674 (S.D. Fla. 2013), the Court held that “The TCPA does not require the plaintiff to be ‘charged for’ the calls in order to have standing to sue.” In Osorio v. State Farm Bank, F.S.B., 746 F.3d 1242 (11<sup>th</sup> Cir. 2014), the Court stated: If the phrase ‘any service for which the called party is charged for the call’ requires that the party be charged per call for the ‘paging service, cellular telephone service, specialized mobile radio service, or other radio common carrier service’ in order for the party to prohibit autodialed calls, then the listing of these services would be superfluous because they are already included under them ‘any service for which the called party is charged.’ On the other hand, reading ‘any service for which

the called party is charged for the call' as an additional item beyond any call to a 'paging service, cellular telephone service, specialized mobile radio service, or other common carrier service,' regardless of whether the called party is charged, gives independent meaning to each term."

24. It is thus clear from the plain language of the TCPA, and its considerable body of resultant case law that the TCPA is violated when a cellular telephone is called with an automatic dialer without consent, even if no charges are alleged or incurred.

25. With the autodialed calls to Plaintiff's telephone commencing on or about June 20<sup>th</sup> 2016 and continuing at a rate of approximately (568) times thereafter, the Defendant violated various provisions of the TCPA, including but not limited to 47 USC §227(b)(A)(iii).

26. The Defendant, having been informed that Plaintiff requested that no further calls be received, willfully violated the TCPA at least (568) times.

27. Pursuant to the TCPA Omnibus Declaratory Ruling and Order, July 2015, paragraphs 138 and 139, communications from banking institutions which are exempt "...are all intended to address exigent circumstances in which a quick, timely communication with a consumer could prevent considerable consumer harms from occurring or, in the case of the remediation calls, could help quickly mitigate the extent of harm that will occur." Pursuant to Paragraph 139, (3) and (7) "In light of these considerations, we adopt the following conditions for each exempted call (voice call or text message) made by a financial institution:

3) voice calls and text messages are strictly limited to purposes discussed in paras. 129-137 above and must not include any telemarketing, cross-marketing, solicitation, debt collection, or advertising content;

7) a financial institution must honor opt-out requests immediately.”

28. Defendant is in violation of the TCPA paragraphs 139 (3) for, upon information and belief, having used their calls for debt collection and (7), failing to honor Plaintiffs’ desire to opt out of telephone communications despite Plaintiff’s clear, unequivocal and repeated requests that such automatic calls cease.

27. Defendants violated various provisions of the TCPA, including but not limited to 47 USC §227(b)(A)(iii).

#### **DEMAND FOR TRIAL BY JURY**

28. Plaintiff hereby respectfully requests a trial by jury for all claims and issues in its Complaint to which it is or may be entitled to a jury trial.

#### **PRAYER FOR RELIEF**

**WHEREFORE**, Plaintiff demands judgment from the Defendant as follows:

- A. For trebled damages to be awarded to the Plaintiff in accordance with the TCPA, for each of the Defendant’s willful or knowing violations of the TCPA.
- B. A declaration that the Defendant’s practices violated the TCPA;
- C. For any such other and further relief, as well as further costs, expenses and disbursements of this action, as this Court may deem just and proper.
